**YOUR EASTER TABLE IS NOT
COMPLETE WITHOUT STAFFORDS
MINT SAUCE**

South African Brand Staffords has defined the art of making a good meal perfect for more than 70 years. Our mint sauce is no exception to the rule. This delightful, simple composition of fresh mint, sugar and vinegar is an absolute must when serving traditional lamb at Easter. Its tangy flavour adds a wonderful zesty freshness to a succulent lamb dish. So, never compromise on flavour and serve Staffords mint sauce for a classic pairing that adds taste to tradition.
