**There's nothing we love more on chilly, wet and wintry days, than delicious comfort food, flexible enough for both a fancy dinner and a relaxed evening with family and friends.**

**And when those dishes are also hearty, satisfying and just right for meat eaters and vegetarians, they're exactly what we all want to come home to**

That's why we've picked out our easy-to-make Staffords favourites, Cape Malay Chicken Curry, Artichoke Spaghetti, Vegetable and Lentil Bobotie and Soy Braised Pork Belly just for you. Simply click on the images to get the recipes! Enjoy!
