Our **Easter  
FEAST**

will make even  
the Easter Bunny  
jealous.

**Staffords**

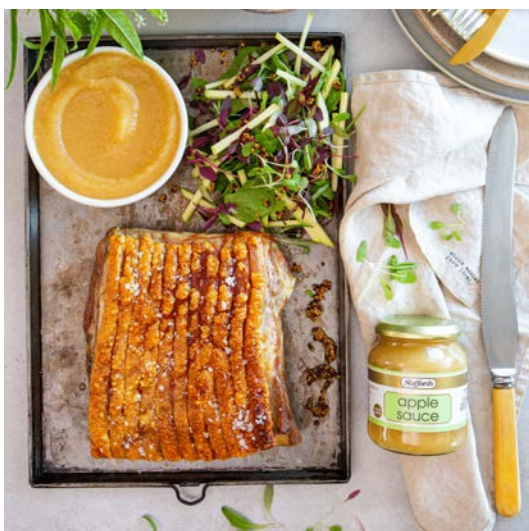

Courtesy of everyone's favourite food brand, Staffords, we've created this easy-to-make and simply delicious menu for every occasion; you simply need to pick your favourites!

Whether you're going traditional with pork and apple sauce or thinking of something more exotic like a saffron paella, for EASTER LUNCH, you can rely on **Staffords** to scout locally and around the world for the **best high quality food products** and to bring them to South African consumers at **affordable prices**.

With a holiday as big as Easter, **desserts simply can't stop at the basics** like brownies or ice cream. It's time to go scrumptious with tempting treats that are just so easy to prepare and gorgeous to look at!
